Re report of SA [REDACTED] 12/19/77.

It is noted there is no outstanding investigation in this matter at the present time. It is being kept open to follow final resolution by the Court which is not anticipated for another two to three months.

The class action suit itself has been settled out of court; however, there are approximately 100 individual claimants to be heard and hearings before an appointed Master. These hearings are expected to continue most of February and March, 1978.

This matter will be followed by the writer on his return from TDY in Philadelphia and the final report submitted as soon as the matter is finally settled in the USDC, EDVA.
